I Am Me

Identity, voice, and belonging - a classroom SongBridge practice

CHORUS

I am me -
I belong.
I have a voice -
I am strong.

I can try,
I can grow -
I am learning
who I am.

VERSE 1

Some days I feel quiet,
some days I feel loud,
some days I feel unsure,
some days I feel proud.

All of me is welcome,
every part I bring -
I don't have to hide it,
I can be seen.

CHORUS

I am me -
I belong.
I have a voice -
I am strong.

I can try,
I can grow -
I am learning
who I am.

VERSE 2

My voice doesn't have to
sound like someone else,
I can speak in my way,
I can be myself.

Every word I'm finding,
every step I take -
is part of my story,
part of what I make.

BRIDGE

Some voices come fast,
some voices take time.
Some voices are quiet -
and still they shine.

FINAL CHORUS

I am me -
I belong.
I have a voice -
I am strong.

Side by side,
we all show -
we are learning
who we are.

OUTRO

Just like this...
I begin.
